Waldorf Pre-School and Kindergarten

Information Day
Saturday 3rd November 2018
10:30am – 12:30pm

A place where children grow naturally

Come and find out more about the uniqueness on Waldorf Education for 1-7 years old. How our parenting class and kindergarten work.

Children can take part in some of our daily activities, such as baking, indoor and outdoor play.

You can also share with teachers about your child's development.

Waldorf Education is the fastest growing independent educational movement in the world. There are over 1,000 school, 2,000 kindergartens and nearly 70 training centres worldwide.
